Display Cases

Standard Plus Security Cabinet with Header on Municipal Frame

Heritage Display Cases
Standard Plus Cabinet
Superior Security Cabinet

- Heritage range of notice board cabinets are designed to be either wall mounted or freestanding.
- Cabinets can be supplied as a Standard Plus Security Cabinet with a top hinged front panel held in position with two locking stays. Door is locked at the bottom with 2 spring-loaded, tamper-proof locks.
- A Superior Security Cabinet can be supplied as an alternative which has a removable end plate

to allow the pin board and window to slide out for fixing. The end plate is secured by a tamper proof lock.

- Crystal clear, high-impact thermoplastic windows.
- Air circulation and drainage holes incorporated in base of cabinet to avoid condensation.
- Pinboards are 6mm MDF panels faced with 6mm cork.
- Cabinets are made in stainless steel and either powder coated or stove enamelled.
- Applied vinyl text inclusive.

Posts
- 50mm box section posts side or rear fixed for Standard Plus cabinet.
- Rear fixing only for Superior Security Cabinet.

Standard colours:
- Black - RAL 9005
- Green - RAL 6005
- Blue - RAL 5002
- Red - RAL 3003
- White - RAL 9010
