## About Heras

We specialise in the design, manufacture and distribution of welded mesh fencing systems, self-raking railings, complete sports fencing systems and swing & sliding gates, all from our six acre custom built site in Doncaster using the latest laser production methods and technologies.

We are a principal trading division of CRH Fencing & Security Group (UK) Ltd, the largest group of perimeter protection businesses in the UK. In turn, we are also part of CRH plc, the international building materials group.

So, if you're looking for leading products, expert advice and innovative design then welcome to the world of Heras UK Fencing Systems.

--	--------------------------------

Secured by Design

(Official Police Security Initiative)

'Secured by Design' is the UK Police Flagship Initiative supporting the principles of 'designing out crime' by use of effective crime prevention.

Products with this symbol have undergone strict testing and have achieved 'Secured by Design' approval, meaning that they are an effective form of crime prevention.

# FENCING SYSTEMS UK FENCING MANUFACTURER
