**FINISH:** High quality acrylic capped Synthastone, available in white, pergamon and piano black.

**HEIGHT:** 60mm

**FEATURES:**

- Low profile, rigid, hardwearing slip-resistant, acrylic capped Synthastone\*
- Non-staining and colour-fast finish
- Almost straight sides for ease of installation
- Designed for a perfect fit with Colonade and Radiance shower surrounds
- Optional Front Cover Panel available in white only
- Supplied with Fastflow shower waste and chrome metal cap

\*Patent Pending no. GB0515210.3

## NEW FINELINE SHOWER TRAYS WITH TWO, THREE OR FOUR UPSTANDS

**FINISH:** High quality acrylic capped Synthastone, available in white, pergamon and piano black.

**HEIGHT:** 60mm excluding upstand

**FEATURES:**

- Low profile, rigid, hardwearing slip-resistant, acrylic capped Synthastone
- Non-staining and colour-fast finish
- Almost straight sides for ease of installation
- Designed for a perfect fit with Colonade and Radiance shower surrounds
- Supplied with Fastflow shower waste and chrome metal cap
- Tiling upstands for a secure water seal between shower tray, walls and shower surround
- Supplied with adjustable legs, see above
- Front cover panel available in white only

**ADDITIONAL INFORMATION:**

Rock solid shower trays, designed for a perfect fit | Supplied complete with Fastflow shower waste | All shower tray dimensions are approximate due to the nature of the material.

### ◀ TEAK DECKING

**FINISH:** Natural Teak  
**MODEL:** 4500

Model 4500 - shown left.  
Natural Teak Decking, designed for use outside shower tray or on shower floor.

### TEAK DECKING ▶

**FINISH:** Natural Teak  
**MODEL:** SAS1290

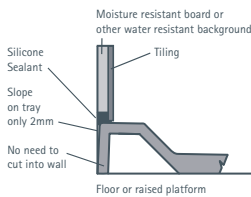

Model SAS1290 Shower tray with Natural Teak Decking, as used with our Wet Room Panels - see page 16-17.  
Price includes shower tray 1196 x 898 x 60mm complete with Teak Decking and Fastflow shower waste.

**FINELINE SHOWER TRAY:**

Formed from tough Synthastone, the acrylic cap on this new Matki Fineline tray makes it even tougher as well as up to 20% lighter than cast stone trays. The acrylic cap also gives the tray a hard wearing high-gloss finish that will not discolour.

62 | SHOWER TRAYS  
CONTINENTAL  
30 & 40

## NEW CONTINENTAL 30

Super slim flat shower floor with unique tile ledge to achieve a seamless and secure tile to shower floor wet room look.

High quality acrylic injection composition for strength and durability. Shower Floor only 30mm high designed to be fitted into a tiled floor without any raised edges. Centre high flow shower waste with polished stainless steel grill.

### ADDITIONAL INFORMATION:

Available in White, Pergamon and Piano Black Acrylic with a highly polished Stainless Steel grill and shower waste.

## FASTFLOW SHOWER WASTE

**FINISH:** Chrome

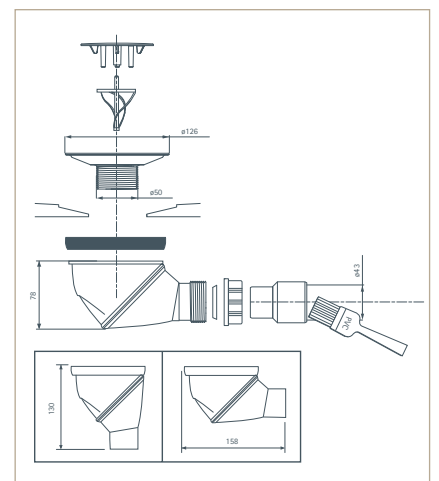

**MODEL:** FF90

**SIZE:** 90mm

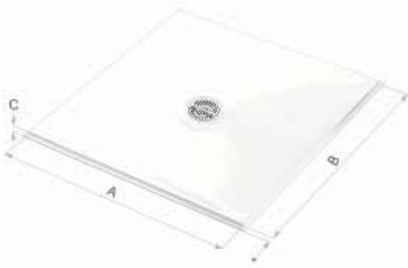

The Fastflow shower waste evacuates over 30 litres of water per minute and complies with EN274-1, making the Matki Fastflow shower waste one of the most efficient on the market and suitable for high volume shower systems.

### ADDITIONAL INFORMATION:

Where not already included in the product price, all Matki shower trays can be supplied with the Fastflow shower waste in chrome model FF90 at an additional cost of £27.00 plus VAT (£34.00 plus VAT if ordered separately) | As the Fastflow shower waste requires a special outlet hole in the shower tray, the tray and shower waste should be ordered at the same time.

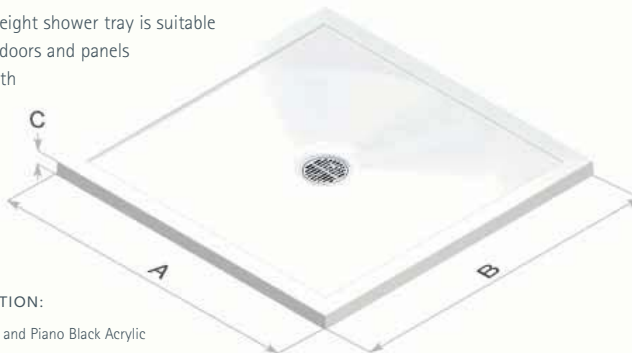

## NEW CONTINENTAL 30

## NEW CONTINENTAL 40

Ultra low acrylic capped profile shower tray with the security of a 10mm raised threshold gives the new Matki Continental 40 the edge.

This modern medium weight shower tray is suitable for most Matki shower doors and panels and comes complete with Fastflow shower waste and highly polished stainless steel grill.

### ADDITIONAL INFORMATION:

Available in White, Pergamon and Piano Black Acrylic
