

**wood effect floor tiles**  
are easy to install ceramic  
tiles that replicate the  
natural appearance of  
wood with the ability to  
be used in a wider variety  
of applications.

# roble

## Description

Ceramic wood effect, rectified floor tiles in a matt finish. Recommended matching wall tiles include the Space and Tecnos ranges (please refer to section 3.0).

## Typical applications

See 5.1 testing and performance for classification of glazed tiles for floors according to their abrasion resistance.

---

For full descriptions of tests, dimensional tolerances and other performance data (please refer to section 5.0).

Recommended adhesives and grouts for this product are made by Butech (please refer to section 6.0).
