

ONE STEP AHEAD!

Kaldnes® RAS

We can make a difference...

**WATER TECHNOLOGIES**

More than just advanced technology

## Why choose us?

### 1 Inspiration & Creation

- ◆ More than RAS-design
- ◆ More than equipment integration
- ◆ A one stop shop for your tailor made solution
- ◆ We develop the best layout
- ◆ We make it work
- ◆ Together we build your farm

### 2 Research & Development

- ◆ First patent in the world on MBBR in 1989
- ◆ More than 450 patents in our Veolia Port Folio
- ◆ Involved in several R&D national and international programs to prepare for the future of the industry

### 3 Service & Confidence

- ◆ We include start up and operational support to all our projects
- ◆ We never leave an unsatisfied client
- ◆ We offer water quality guarantee in your plant
- ◆ Your success is our success
