What is Stonebound?

Stonebound is a seamless Resin Bound porous surfacing finish designed to meet the demands of the growing domestic market. Stonebound offers a competitively priced resin system for paths, patios, pools surrounds and driveway projects.

Stonebound provides a quality finish similar to our large-scale premium BBA Resin Bound product range that has been used at Kew Gardens, Royal Palaces and numerous other prestigious sites throughout the UK.

Available in a range of 28 unique blends including UV and Non UV options.

Available to order direct or online at the Addagrip shop www.atdirect.online
