

Our Golf Turf Range

Years of experience and the perfect sandy Lincolnshire land enables us to offer a range of turf grades for use across the golf course. We supply the finest quality golf turf, all grown on natural sands that are very close to USGA specification. We use the latest technology and equipment whilst integrating a comprehensive fungicide and feeding regime to produce the best possible finished product.

Our Turf is currently in play at many Golf Clubs in the UK and Europe including The London Golf Club, Loch Lomond, Carnegie Links at Skibo Castle, Royal Aberdeen, Trump International, Queenswood Golf Club and Castle Stuart.

- Superb year round colour
- Can be mown down to 8mm
- Low maintenance turf

Specialist products are also available:

- RTF turf for shaded areas and pathways - Revetting turf for Instant Bunker repairs - Washed turf in all grades.

About Us:

County Turf is a leading grower of consistently high-quality sportsturf. A long established family business, we grow more than 1,400 acres of turf on some of the coarsest, free-draining sand rootzones in the country, closest to USGA specifications.

Our turf is established from the very best STRI cultivars and grown for at least 15 months, without netting, so our customers receive strong turf with a thick sward that can be laid without wastage.

Our Services:

Choice of roll size:

We supply strong, light, cut turf supplied in standard 1m sq. rolls or large rolls in widths of 0.75, 1.25 or 2.5 metres. We also offer washed turf for specialist projects, please get in touch for details.

UK delivery at a time to suit you

We offer fast, reliable, nationwide delivery and are able to guarantee the time of delivery for single drop loads on our own fleet of lorries. Fork lift facilities are also available if required.

Turf laying service

We provide a turf laying service, just get in touch with our sales office and let us know your requirements.

Overnight sample service

We provide an overnight turf sample service. Please get in touch to arrange for a sample to be sent.

"The turf is fantastic and I have been continually impressed with the service we have received since working with County Turf."

**Gary Gruber, Course Manager,
Carnegie Links at Skibo Castle**
