Anti-graffiti Coatings

# The World's Best Anti-Graffiti System

If you thought all anti-graffiti coatings were the same, it's time to think again...

# The Nu-Guard® AG advantage

The worlds only effective barrier on all substrates

## Clear and Colours

Nu-Guard® AG is available in a clear finish or in any RAL colour so can be used anywhere, on any surface.

## Tough resilient finish

Unlike any other anti-graffiti system, Nu-Guard® AG cures to a hardened finish making it stronger - with just one coat.

## Zero Ghosting

Wash graffiti away with water and Nu-Guard® AG won't show any ghosting, unlike others!

## Single Part System

Open the can, brush it on. No mixing and no messing means less labour cost.

## One Coat

In most cases, Nu-Guard® AG is applied in one coat. Some surfaces may require a non-darkening sealer.

## Permanent Protection

Graffiti can be removed quickly and easily using just water. No re-application required.

## Nu-Guard® AG is ideal for the following applications:

- Aluminum Siding
- Fibreglass
- Glass
- Masonry (includes brick, marble, stone, tile, granite, and concrete)
- Metal
- Street Signs
- Stucco
- Utility Boxes
- Vinyl Siding
- Wood

# **Try Nu-Guard<sup>®</sup> AG for yourself**

**Mark this card, then just  
wipe off with water...**

# Nu-Guard® AG

The effective graffiti-resistant coating system

## **Nu-Guard® AG: engineered in the UK and provides the most vandal resistant finish ever.**

*Nu-Guard® AG is a unique anti-graffiti coating that protects all surfaces, including brick, concrete, render, stone, wood and plastic against all types of graffiti and poster glues.*

*It's been completely re-engineered in England to provide the most vandal resistant finish ever achieved anywhere in the world.*

*Once coated with Nu-Guard® AG, nothing can stick to the surface. Nu-Guard® AG is completely resistant to ALL paints, permanent markers and the majority of acids. Simply wash with water and graffiti disappears and posters just slide off, providing permanent protection against graffiti attack – without ghosting residue.*

*Nu-Guard® AG is one of the most economical and easy to use anti graffiti products available on the market today.*
