Trade Price List 2018

- Trade prices are quoted net of VAT, on an ex-works basis.
- There is no minimum order value.
- Larger and heavier items are sent by pallet delivery service at a fixed charge of £40 per pallet. Lighter/smaller items are sent boxed, at £6 per item up to a maximum of £40. For orders combining pallet and boxed delivery items the pallet charge applies. Deliveries outside UK mainland are quoted at cost.

- Standard delivery time is about 5 to 6 days for stocked lines, and next day and timed deliveries are usually possible for a small extra charge. Allow up to 6 weeks for delivery of non-stock items.
- Proforma payment can be made by credit card, cheque or BACS transfer.
- This pricelist refers only to our standard lines. We also offer bespoke manufacture in a range of materials as detailed on our website.
