

Hoardfast Budget PVC is a basic, quick to install, modular, fixed, floor-to-ceiling internal screening system. Panels are available in a range of heights and can be easily configured to create a temporary internal partition wall. This light weight push fit system is quick to install and up to 30% cheaper than creating a timber and plasterboard stud wall.

Reduce dust

Create site office and welfare spaces

Reusable and sustainable

Quick installation

Cost effective

Next day delivery
