

Hoardfast PVC is a hygienic, quick to install, modular screening system, used by hospitals to temporarily segregate spaces and create temporary rooms.

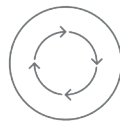

Used free-standing or floor-to-ceiling (for greater infection control), our modular partition can segregate patients and/or staff for short or long-term requirements.

Quick and easy self installation

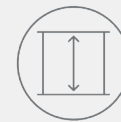

Next day delivery from UK stock

Reusable and relocatable

Hygienic wipe clean panels

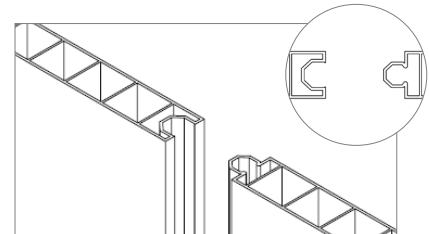

Floor-to-ceiling for infection control
