GREEN OAK TIMBER BOLLARDS

Chris Nangle Furniture produce a range of green oak timber bollards to complement both urban and rural settings.

The green oak bollards offer a timeless elegance and will age gracefully, to a silver grey. Alternatively, we can supply the bollards in our charred finish for a more contemporary look.

We can supply the bollards in all sizes from 300×300 to 100×100 with either square tops, chamfered or four way pointed tops. We supply the bollards with a rebates cut and with reflective strips fitted.

Our green oak bollards can also be drilled to accept tube or cycle locks and can be fitted with eyebolts for chain. We can also supply bespoke timber bollards with a variety of metal caps

Please don't hesitate to get in touch for a competitive quote.
