**Project Name:**  
Fletton Quays  
Peterborough

SUPPLY +  
INSTALL

**Contractor:**  
Bowmer & Kirkland

**Architect:**  
Harrison Stevens

Fletton Quays is a brand new office and residential development located in the heart of Peterborough, close to the River Nene. Langley Design worked with Bowmer & Kirkland to come up with a street furniture solution that would compliment the surrounding areas. We provided multiple timber clad cycle shelters & bin store units along with timber topped concrete benches, seats and loungers to enhance the new environment.
