

PROJECT NAME: GOLDSMITH STREET

CONTRACTOR: RG CARTER

ARCHITECT: MIKHAIL RICHES

LANDSCAPE ARCHITECT: BBUK

LANGLEY DESIGN
EXTERNAL FURNITURE SOLUTIONS

Goldsmith Street is a remarkable housing development in the heart of Norwich, providing over 100 homes for Norwich City Council and is the first social housing project to win The RIBA Stirling Prize 2019.

Langley Design were honoured to work with RG Carter on this outstanding scheme which won one of the country's most prestigious architecture awards.

As over a quarter of the site is communal space, we were tasked with providing products which would enhance the aesthetics of the existing design and fit well into the newly landscaped areas. We were delighted that BBUK Architects chose benches, picnic tables and seats from our Sheldon range to compliment this prestigious project.
