

TVS ACOUSTICS
NOISE & VIBRATION CONTROL

CASE STUDY

TVS ABSorb Sport Wall Panels

Pontville School, Ormskirk

PROJECT INFORMATION

Project Objective

TVS were approached by the school to look at the Sports Hall which had always been particularly noisy.

After conducting a site survey, we were contracted to supply and fit 70 no. TVS ABSorb Sport 1200 x 600mm Wall Panels.

After installation, we conducted another sound test and the reverberation time had dropped by 1.6 seconds making for a much quieter space.
