

VERSION 5 | FEBRUARY 2017

MmT Notice Boards: Full range

Offering a genuine low-maintenance alternative to traditional timber notice boards, the extensive Greenbarnes range of Man-made Timber boards combines the benefits of modern materials with tried and tested detailing. Largely manufactured from recycled plastic with a convincing timber appearance, but without the attendant requirement for regular maintenance, each of our MmT boards is hand-built by our skilled craftsmen to a design which is the result of over 20 years of working with this unique material.

Details of our most popular MmT designs can be found in the separate "Top 10 MmT Notice Boards" product sheet, but for those seeking a greater degree of control over the specification of their board, or for those requiring something less mainstream the "Full Range" detailed in this brochure offers possibilities limited only by your own imagination.

The key element of all our boards is the modular construction method employed. Developed over a period of 20 years this ensures that, whatever the shape, size or finish of the board(s) that you specify, you can rest assured that the important details have been taken care of.

Our "Full Range" encompasses all the permutations that can be achieved from the following elements:

- 1,2 or 3-bay boards
- Standard bay sizes to accommodate 3, 4, 6, 8, 9 or 10 sheets of A4
- Boards may be glazed, unglazed or a combination of both
- Polycarbonate glazing
- Wall, post or railing-mounted
- Available with or without header panel
- Sign-written or engraved lettering
- 5 different display options including self-healing rubber pinboards as standard or magnetic panels, ribbed letter board and various graphic panel options
- A full range of accessories including LED lighting

Why Choose Greenbarnes?

Improved "whole-life" costs

In 1994, long before the "green" agenda became fashionable, Greenbarnes Ltd was the first manufacturer to offer a maintenance-free alternative to traditional timber notice boards incorporating the extensive use of recycled plastic materials. With a large range developed over the intervening years we remain the only manufacturer to offer a realistic and aesthetically acceptable alternative.

Many of our customers, including local authorities, schools and churches have come to recognise the inherent advantages of this material and the cost savings to be enjoyed over the whole life of the product. As a result, many clients have returned year after year to purchase MmT boards as replacements for timber boards as these become life expired.

Modular construction

Our MmT boards employ modular construction with each bay being constructed as a separate box resulting in an extremely robust product. It also means that on multi-bay, multi-user boards each bay is truly independent, rather than one space behind two or more doors. We use two grades of recycled plastic, one for the boards themselves and a second, heavier duty, impact-resistant variety for the posts. All glazed boards are ventilated to minimise condensation.

The standard display surface in both glazed and unglazed bays is a light grey self-healing rubber pinboard material, ensuring that placing and removing notices is a pleasure rather than a chore, whilst a variety of other options including sign-written and graphic panels can be specified as an alternative.

Unlimited possibilities

We offer the widest variety of standard sizes of any manufacturer, (see back page), together with a fully comprehensive range of options including headers, a choice of 5 display types, LED lighting, flexible access arrangements by key, latch or combination of the two within the same board, plus a comprehensive range of accessories including posts, railing fixing kits and dedication plates.

Ongoing support

After sales service - we're here to help! Lost a key or suffered an accident? A Greenbarnes board offers the peace of mind that comes with the knowledge that spares will be available if and when you need them.

Standard Specifications

Available sizes	Single-bay 3 x A4 - 3-bay 9 x A4	✓
Configuration	Single-sided landscape or portrait, 1,2 and 3-bay	✓
Frame and doors	Maintenance-free Man-made Timber, each bay individually framed	✓
Finish	Dark brown	✓
Glazing	4mm polycarbonate sheet	✓
Back panels	Black ABS	✓
Display surface	6mm light grey self-healing rubber pinboard	✓
Mounting	Wall, post or railing-mounted	✓
Hinges	Stainless steel piano hinge	✓
Locking	Simple, robust lock with "easy-grip" key	✓
Weather resistance	Weatherseal	✓
	Integral ventilation	✓
Warranty	5 years	✓

Options

Headers	Straight 95mm high with scalloped ends	✓
Lettering for headers	Computer-cut vinyl letters	✓
	Plain engraved lettering	✓
	Engraved lettering with coloured fill	✓
	Magnetic (glazed bays only)	✓
Alternative display options	Ribbed letter-board to accept moulded plastic letters (glazed bays only)	✓
	Signwritten panel with computer-cut vinyl text	✓
	Digitally printed graphic/map panel	✓
	GRP encapsulated graphic/map panel	✓
Access	"T" Handle - turns standard lock into latch for public access	✓
Lighting	Optional LED lighting available for all models (glazed bays only)	✓

Accessories

Mounting	Post kits - 1,2 or 3 posts	✓
	Railing kit	✓
Header	Coloured header available in 4 different colours	✓
Letter sets	Moulded plastic letters for use with ribbed letterboard	✓

	"T" handle (converts standard lock into latch for key-free access)	✓
Access	Triangular lock insert (alternative to standard square insert)	✓
	Additional key	✓
Lighting	LED lighting kit (Glazed bays only)	✓
Commemoration	Brass dedication plate 75 x 40mm with up to 50 engraved chars.	✓

Looking for Something Different?

Even if you still haven't seen exactly what you need don't despair! We can manufacture "custom-built" boards to meet most requirements. Whether it be a case of simply changing the dimensions of a standard design to fit a particular site, or construction of a complete "one-off", you will find our service both friendly and efficient.

What is more, because we use tried and tested details wherever possible, you can rest assured that the resulting board will benefit from many of the features associated with our standard boards. Why not contact us with details of your requirements to receive free advice and a no-obligation quotation?

www.the-noticeboard-shop.co.uk

Here you will find a selection of some of our simpler products such as external notice boards, church notice boards and signs and advertising boards which can be bought directly online through our secure e-commerce site. We accept all major credit cards.

Contact Greenbarnes now on 01280 701093, visit our website at www.greenbarnes.co.uk or email sales@greenbarnes.co.uk

Life Expectancy and Maintenance

Many early examples of our MmT boards are, still giving good service after 15 or more years, a lifespan during which an equivalent timber board would ideally have needed to have been re-finished at least five times. Other than occasional inspection and a quick wipe over to remove algae and surface grime, there is little to be done to an MmT board. In the event of accidental damage we offer a full range of spare parts, (many from stock), - indeed everything you might need in order to keep your MmT board(s) in tip-top condition.

		Boards		Headers		Alternative display options				Delivery	
		Basic board		Straight header 95mm		Magnetic panel (per bay, glazed bays only)	Signwritten panel (viny) (per bay)	Map/graphic panel (digital print) (per bay)	Grp encapsulated map/ information panel (per bay)	L.E.D. lighting (glazed bays only)	Delivery (board only - for delivery costs of posts see below)

Mmt Full Range

VERSION 5 | FEBRUARY 2017

5 Year Guarantee

Each Greenbarnes MmT notice board carries a unique 5 year guarantee on the quality of workmanship and materials used. We guarantee to the original purchaser, that our MmT notice boards are free from defects in material and workmanship. "Defect" is defined as any imperfections which impair the use of the board. The guarantee is expressly limited to the replacement of parts and components for 5 years from the date of dispatch and does not cover the following:

- 1) Defects caused by improper assembly, disassembly or occurring after purchase due to product modification, intentional damage, accident, misuse, abuse or negligence
- 2) Cosmetic damage
- 3) Labour and assembly costs

	Additional key		£3.56	

Timed Delivery

Delivery method varies according to the weight of the individual board. Boards below 35Kg. Are despatched by overnight courier service and we can therefore guarantee a day, but not an exact time of delivery. Larger boards are sent using a dedicated 2-man delivery service and can therefore generally be timed more accurately.
