

Oak Smallboards

VERSION 4 | FEBRUARY 2017

Greenbarnes Oak Smallboards

Designed to fulfil the widespread need for small-scale, simple notice boards, our Oak Smallboards are ideal for displaying timetables, menus, byelaws, service times and general notices in instances where a bigger board is not required. They are suitable for a wide range of users including councils, churches, restaurants, sports clubs and residents associations. Boards are constructed in solid oak and have easily pinnable self-healing rubber pinboard. Glazed boards have an integral weatherseal and 4mm toughened glass as standard. Doors are fitted with stainless steel hinges and locked by two allen key-operated recessed fasteners. Available in sizes from A4 up to A2. Smallboards can be supplied glazed or unglazed for mounting on posts, walls or railings. Standard finishes are light or dark oak microporous woodstain.
