

# Educational Bins

It's rubbish to litter! Talking bins speak every time rubbish is thrown into them, affirming positive pupil behaviour. The optional 2GB memory card can record your own message or song and has a volume control. Amberol's Educational Bins are highly successful in places where young people meet, learn and play.

### Ambere Litter Bin

A large, friendly waste guzzling bear! With lockable front opening door, the inner liner can be emptied easily and safely. The optional voice box can be programmed with a polite message or greeting.

### Bird Litter Bins

Four delightful options that encourage and inspire young children particularly to throw their waste away.

The lockable front opening door enables the quick and safe emptying of the inner liner. The unique talking options provide added interest and novelty whilst at the same time teach polite greetings and manners.
