

MACHINED MOULDINGS

DECORATIVE AND
FUNCTIONAL SOFTWOOD
AND MDF MOULDINGS

MetsäWood

INTRODUCTION

Metsä Wood provide one of the most comprehensive portfolios of high quality softwood and MDF mouldings currently available within the UK. From decorative mouldings such as skirting and architrave, to flooring, all of our timber products are suitable for both new-build and refurbishment and are environmentally certified.

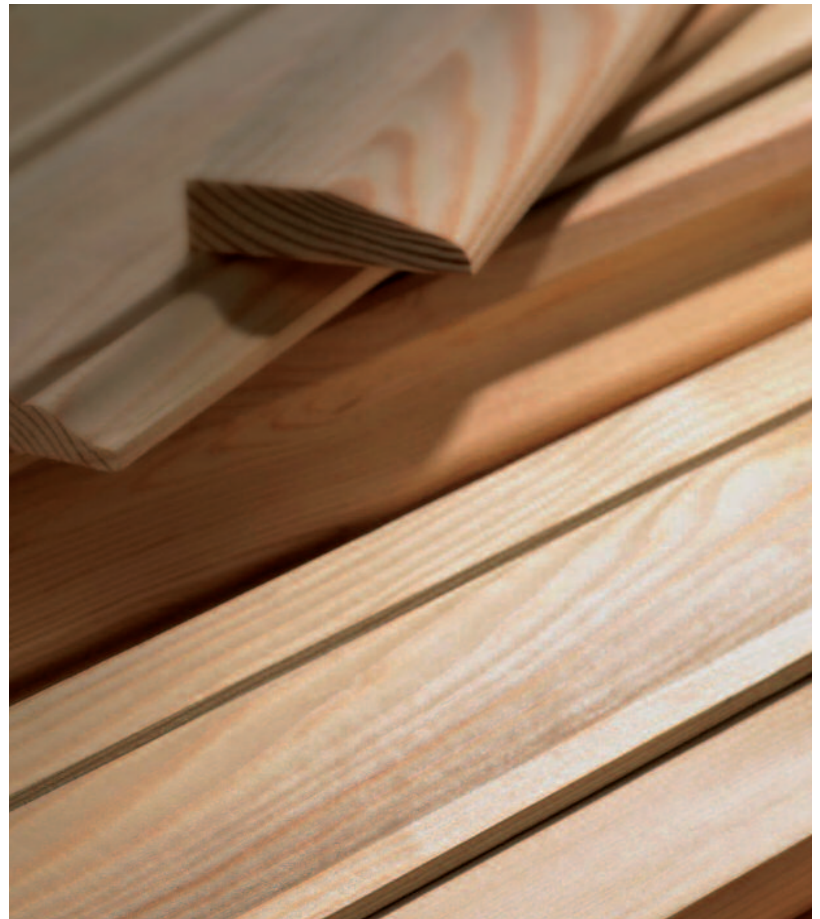

Metsä Wood supplies a wide network of merchants throughout the UK and fully supports its unrivalled depth of product range with an equally robust logistics service.

QUALITY & RANGE

Our extensive range of softwood and primed MDF mouldings include popular classics such as Ogee, Torus and Chamfered. Our softwood range is manufactured from slow-grown premium redwood timber; we offer a range of high quality, precision finished and fully machined softwood profiles and PSE's to suit a wide range of customer requirements. Our softwood is available in a range of grades. Please ask for details.

All products featured are made to the highest quality adhering to either FSC® or PEFC certification, providing assurance that the timber is legal and from well managed sources.

EXTERNAL CLADDINGS SOFTWOOD

Our joinery grade softwood claddings are kiln dried for increased durability and machined with a precision finish. The claddings can be stained, varnished, painted and treated to give you flexibility on the finish and style you want to achieve.

Take a look at our cladding tool available online to help you calculate how much cladding you need. Visit metsawood.co.uk/calculator-tools or scan the QR code.

Metsä Wood is a wood products company delivering service-oriented solutions developed in collaboration with its customers. Its premium solutions are based on ecological, high quality Nordic wood as a raw material.

Wood is the only building material that is truly renewable, if well managed. Forest certification schemes give assurance that the timber is legal and from sustainable sources. Metsä Wood sources certified timber over uncertified and is an approved Chain of Custody supplier.
