Saxon Kerb with reference numbers indicated in **bold** black are available ex-stock. Saxon Kerb with reference numbers indicated in light black are manufactured to order.

*Natural products are manufactured from aggregates sourced locally to the works and contain no pigmentation, therefore colour variation between products from different works is possible.

Can't find the size you're looking for, please contact our sales office for further details.

Saxon

145 x 255 Concrete Kerb

The Yorkstone aggregate in these kerb units is exposed via a gentle texturing process, creating a warm, rustic feel, ideal for use in traditional landscapes. The 145x255 sizes are based on pre-metric sizes, further reinforcing the traditional aesthetic.
