Saxon Kerb .....	pg 96

Utilising patented Fibre Technology, Saxon Fibre Reinforced Paving offers increased toughness and resistance to failure from impact or overloading.

Achieve a clean and professional finish around bollards with Saxon Bollard Surround Unit. It comprises of a two piece pre-cut unit designed to suit bollards of differing diameters up to 114mm.

For environments requiring understated elegance. Saxon Textured paving combines a warm and inviting colour mix, blended with hard Yorkstone aggregate making it a popular choice and cost effective alternative to natural stone, to complement both modern and traditional spaces. Finish with Saxon kerb to refine the finished look and add definition.

Marshalls innovations in concrete technology supports a trend for larger plan sizes. New Saxon 1m² paving suits spaces on a grander scale and is traffickable.
