Conservation Kerb pg 94-95

Utilising patented Fibre Technology, Conservation Smooth Fibre Reinforced Paving offers increased toughness and resistance to failure from impact or overloading.

Achieve a clean and professional finish around bollards with Conservation Smooth Bollard Surround Unit. It comprises of a two piece pre-cut unit designed to suit bollards of differing diameters up to 114mm.

The new skimmed surface finish gently exposes the aggregates providing an enhanced colour finish on the surface as it draws out the unique blend and lavish mix of aggregates. The new colour Heather Grey is bursting with colour and complements the existing Silver Grey and Charcoal Grey colour palette, giving clients the ability to mix and match for greater creativity.

- New Colour Heather Grey (to complement Silver Grey and Charcoal)
- 450 x450mm size manufactured using Marshalls New Surfacing Technology
