

litter bins

High Quality, Extremely Durable, Easy to empty.

ASF offer a unique range of Stainless Steel Litterbins from the ASF 7002 Front-Opening Litterbin to our simple ASF 7005 Wall Mounted Litterbin.

All are manufactured to withstand the harshest of environments. They co-ordinate superbly with our other stainless steel products.

Size	As shown on the line drawings. However sizes and capacities can be varied on request.	Extras	Alternative perforation patterns are available on request.
Material	Grade 316 stainless steel to BS 1449 part 2 1983 as standard.	Insignia	Borough/City/Town Coat of Arms, Crests, Logos etc. can be etched or cut into any litterbin.
Finish	Highly Polished, Satin Brush Polished or a combination of both are available. Products can also be nylon coated to any BS or RAL colour.	Fixing	Floor mounted bins can be bolted down from inside. Pedestal bins can have root or baseplate to choice.
Liners	All litterbins are supplied with mild steel galvanised liners which can be finished in polyester powder coat to any BS or RAL colour.	Packaging	All products are vacuum sealed in polythene offering protection until final installation.
