

The VELOPA Type H Cycle Rack

The VELOPA Type H Cycle Rack is floor fixed cycle rack designed to hold the front wheel of the cycle off the ground. The Type H Cycle Rack is available as a 2 bicycle holder with cycle parking centres at 350mm. Each holder allows the user to lock their cycle through the front wheel to the stand.

The practical and durable nature of the VELOPA Type H Cycle Rack ensures that the rack is suitable for all environments where high density of cycle parking is required.
