

### AUTOPA Open Spaces Caldecott Range

With its simple design, the Caldecott Range from AUTOPA open spaces is ideal for busy public areas. The bench and the seat have both been designed to withstand the toughest conditions and to look good for years with only minimal maintenance.

Manufactured in the UK, both the Caldecott Bench and Seat are available in galvanised mild steel or grade 304 stainless steel. All galvanised products can be coated in any BS or RAL colour (codes must be specified at time of order).

Available ragged and flanged

### Product Range

Order Code	Description	Weight
