

Hooped Perimeter Barrier 60mm Diameter Galvanised, Removable

Perimeter Barriers are designed to help secure site perimeters and provide a permanent obstacle to vehicle access, to mark boundaries, define trolley parks and protect vulnerable door entrances and exits.

Suited to sites where aesthetics and security are equally important, perimeter barriers are commonly found outside car showrooms acting as protection for the cars on the forecourt without impeding a customer's view of the vehicles.

Available in a variety of heights and widths, available as concrete in, bolt down or removable for occasional access.

Galvanised, Stainless steel, galvanised and colour coated available. Tube diameters 48mm, 60mm, 76mm & 90mm available.

<u>Part Number</u>	<u>Description, Height above ground x overall width</u>
138 176 038R	500 x 750 (Removable)
138 176 044R	500 x 1000 (Removable)
138 176 051	500 x 1500 (Removable)
