

Birmingham Cycle Stand Galvanised, Galvanised & Colour or Stainless

The VELOPA Birmingham Cycle Stand features an integrated signage plate and tapping rail, making it fully compliant with the cycle parking recommendations on the Birmingham transport network. The signage plate incorporates the Cycle Parking 'P' and cycle symbol signs as standard on one side only, ensuring cycle parking areas are easily identifiable at all times.

The design of the Birmingham Cycle Stand allows cyclists to secure the frame and wheel of their bicycles to the stand using their own lock. Each stand is suitable for securing up to two bicycles.

Manufactured from galvanised steel tube and concrete in as standard; bolt down, colour coated and stainless steel versions are also available. RAL/BS numbers must be specified at time of order. Reflective tape can be added to the stand to further enhance visibility if required.

Part Number	Description	Weight (kg)
138 515 270	Galvanised - Concrete In	14kg
138 515 275	Galvanised - Bolt Down	13kg
138 515 271	Galvanised & Black - Concrete In	14kg
138 515 276	Galvanised & Black - Bolt Down	13kg
138 515 272	Galvanised & Colour - Concrete In	14kg
138 515 277	Galvanised & Colour - Bolt Down	13kg
138 515 274	Stainless Steel Grade 304 - Concrete In	13kg
138 515 279	Stainless Steel Grade 304 - Bolt Down	12kg

Product details

- 48mm diameter tube
- 750mm x 800mm (height x length)
- Concrete in 300mm (below ground)
- Round flange plate – 133mm x 5mm
- Each stand requires 6 bolts (bolt down)
- Sign plate - 150mm high - Symbols on one side only. Tapping rail - 50mm high
