providing quality,
innovative outdoor
play environments
all over the UK
and beyond.**

100% Responsibly sourced
FSC Compliant Timber ¹

98% Of our customers
would recommend us ²

Schoolscapes provide a full design, manufacturing and installation service for anything from a small storytelling area to a large multi-play tower unit or adventure playground. You can also purchase our products on a supply only basis for self installation projects.

Our play and learning equipment is designed with safety as the highest priority, and always with the emphasis on fun and value for money.

We work with you every step of the way to ensure you get the play scheme that works for you, your children, the budget available and your unique outdoor space.

So come along and take the first steps to designing your play project today.

**Free Design and
Quotation Service**

**Outstanding Guarantee
and Warranty Service**
