

Charm Range

Nature inspired seating design with decorative pattern effect. Create a spectacular focal point at the heart of any urban scheme with Charm Urban Life, the word charm expresses the essence of this collection.

Corten Effect & Pattern Detail

Ocume Timber

KEY BENEFITS:

- Large seating unit ideal for city squares or to create a focal point.
- Decorative pattern effect provides a distinctive design style and ability to create shadowing effects when installed with lighting.
- Illumination at night creates safer more sociable neighborhoods.
- Wooden seat section provides warmth and comfort to the user.
- Large seating solution can accommodate multiple people where space is limited.

CHARM RANGE

MATERIAL

Timber seat section is Hardwood. Steel parts are Galvanised Steel & Powder Coated.

Wood is treated with a water based wood oil to preserve the wood. Re-application of oil recommended on an annual basis.

Steel parts are cold galvanised and powder coated. Steel is decorated with an irregular pattern achieved through a laser cutting process.

The holes created by the pattern are covered with a transparent clear perspex sheet to stop litter and debris.

FINISHING

Steel is powder coated in a corten painted effect as standard.

Timber seat section is Ocueme Hardwood.

INSTALLATION

Furniture can be fixed to the ground with suitable ground fixings. Fixing bolts are sold separately. The number of anchoring points vary by product item.

LIGHTING

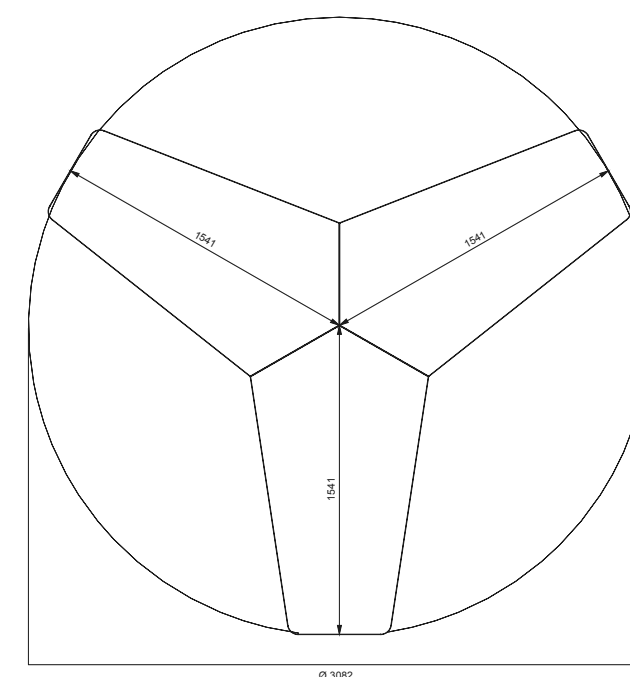

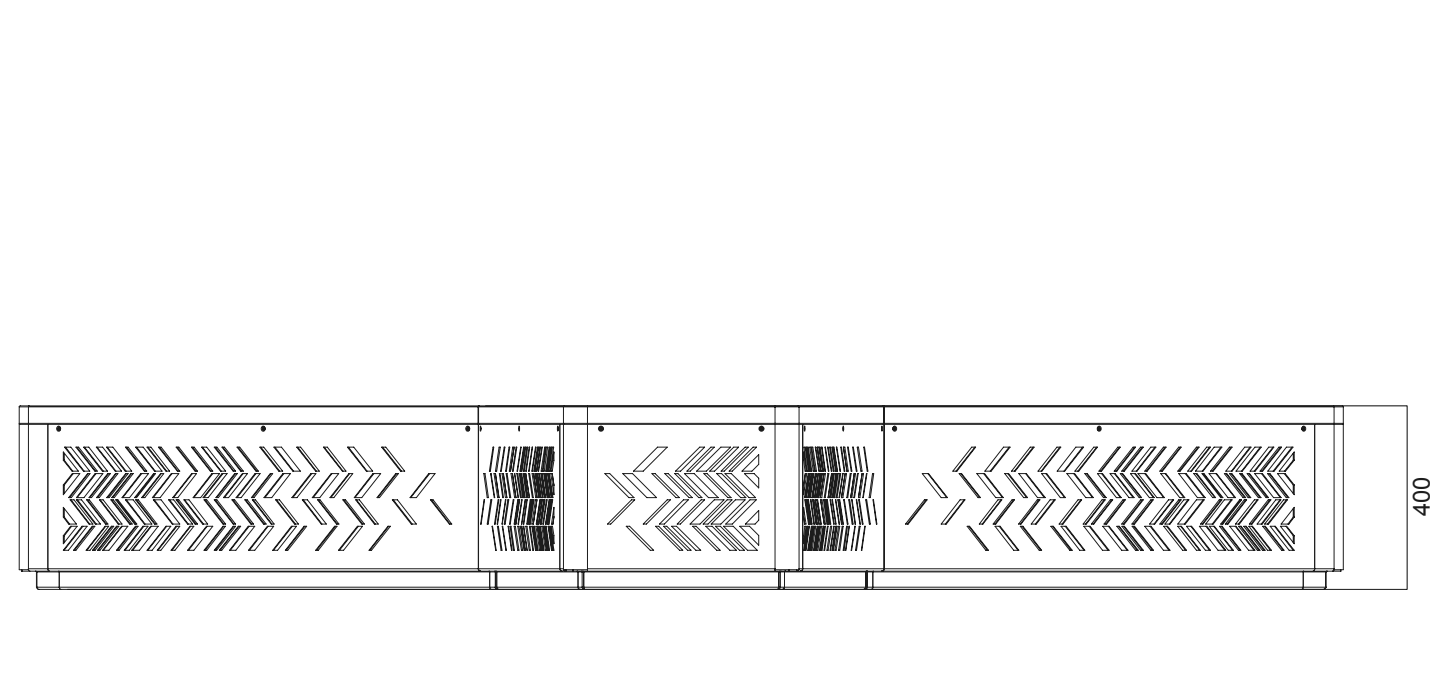

Optional warm LED lighting strips can be set inside selected products to provide ambient illumination night or day, helping to create safer, more sociable neighbourhoods.
