Holton Smoking Shelter

Curved design provides protection from the elements

- Stylish, curved design provides protection from adverse weather from both the back and above if positioned correctly
- Gives a good area of rain shelter on wet days and UV stabilised polycarbonate roof ensures it will not discolour in the sun
- Can be used for a variety of applications such as a smoking shelter, visitors/staff waiting area, spectator viewing area, or designated break time area
- Steel structure ensures shelter is hard wearing and long lasting
- This modular shelter is infinitely adaptable to suit any location
- Versatile shelter supplied as freestanding and is suitable for concrete, tarmac, paving slab or block brick slabs
- Compliant with Smoking Ban Legislation - Parliament Act 3368
