01 S-shaped Clifton Bench, Clifton Park, Rotherham  
02 Loafer Seat, Scarborough Harbour

**Urban Design**

As leading specialists, our in-house designers work with the world's most durable timbers to fully exploit the potential of hardwood. Our products are designed using pioneering software and computerised machine tooling. We work with our clients to push design boundaries and strive to create outstanding, aesthetically pleasing solutions that meet the demands of the user.

08 Trefoil Seat, Southampton

09

The simple, natural appearance of hardwood allows our designs to blend seamlessly into both rural and urban environments. Hardwood can be manipulated into a range of unique designs, meaning tough can also be beautiful.

Timbers in the Naturally Very Durable category have a long life expectancy, without preservative treatment.
