

FARAL ARKO – CURVED BATHROOM RADIATORS

The ARKO Curved Steel bathroom radiators are manufactured by FARAL in Italy and are available in either a Chrome or a White RAL 9010 finish.

The attention to detail and the attractive design of the gentle curves of the ARKO will compliment any bathroom especially one with similarly curved sanitary ware with which the ARKO will blend in seamlessly.

Today more than ever in a time when quality can be compromised to offer the very cheapest prices FARAL maintains its fifty year old reputation of providing Italian style and functional designs that enhance the look and feel of your bathroom at an affordable price.
