The Castle is a favorite of themed play for many ages. The youngest players can climb to the lower wooden slide by stairs. There is a double rope ladder to climb higher and a special feature of this product: the rotating ladder! It allows children to develop their climbing skills, endurance and agility. The long slide and the fireman's pole offer a quick exit from the tower. Below the tower there is an arch-shaped net, perfect for exercising spatial perception.

User age	3+
Number of users	25
Product length, mm	6090
Product width, mm	9190
Product height, mm	5160
Impact area, m ²	66.7
Falling space, m ²	69.2
Height required, mm	5160
Max. free fall height, mm	2900
Safety info	EN 1176-1, 3 TÜV
Installation time (for 1), H	30
Foundation options	Deep mounting
Colour of walls and HPL
