

Gwent Bench

Specification:

The Gwent Bench is a simple yet versatile and durable design.

Bailey Streetscene currently supply a wide variety of Hardwood and Softwood Timber benches.

The Gwent bench manufactured from carefully selected treated Iroko hardwood timber or Douglas Fir softwood sourced entirely from commercially-managed, recognised and sustainable resources. An annual single coat of varnish or stain is recommended to maintain the quality.

Dimensions:

Length: 1800mm
Width: 340mm
Height: 450mm

Options:

Douglas Fir: £199.80
Iroko: £511.65
