

## Bead Blasted Stainless Steel Bollard

Another from the extensive range of Bailey Streetscene products that are superb for ensuring that the edge of a structure, car park or space is easily and properly identified, or for separating areas.

With a main body grade 304 stainless steel, or in grade 316 for more aggressive environments such as industrial or coastal areas, this comes with a bead blast finish, with a brushed satin or bright polished semi dome top, and is root fixed. A surface mounted version is also available should you require it.
