

## Double Recess Stainless Steel Bollard

Coming in a brushed satin or bright polish finish, with two 27mm wide recesses, this is a contemporary and striking looking bollard that is fit for a number of purposes. The Double Recess Stainless Steel Bollard comes with a main body of grade 304 stainless steel, with an option of grade 316 for more aggressive environments such as industrial or coastal areas.

It has a semi dome top, and comes as root fixed, but a surface mounted version is available, as are two reflective hazard bands.
