

Full Dome Stainless Steel Bollard

Offering a clean and contemporary look to your outdoor space, the Full Dome Stainless Steel Bollard is manufactured to main body grade 304 or 316 stainless steel for more aggressive environments such as industrial or coastal areas. It comes in a brushed satin or bright polish finish with a 50mm recess and a fully domed top.

Root fixed, a surface mounted version is also available, as is reflective tape. It's an excellent, sturdy bollard that is well suited to a range of applications such as pedestrian walkways and protected parking areas.
