

Record Groove Stainless Steel Bollard

The great thing about this choice of bollard is that you can order it to your requirements. Other sizes are readily available, including bespoke sizes, and that's not where the options end...

With a main body of grade 304 stainless steel, the Record Groove Stainless Steel Bollard is also available in grade 316 stainless steel for more aggressive environments such as industrial or coastal areas. It comes with a brushed satin finish with a 50mm wide, record type groove, flat top, and comes root fixed. It also come with the option of being surface mounted, with a bright polish finish, or including reflective tape.
