

Removable Stainless Steel Bollard

This bollard stands 900mm above ground, and its main body is manufactured from grade 304 or 316 stainless steel for more aggressive environments such as industrial or coastal areas. It has a brushed satin finish, with the possibility of a bright polish finish, has a semi dome top, and is root fixed.

It's a smart, contemporary option for ensuring that the edge of a structure, car park, or space is easily and properly identified, or for separating areas.

Guide Price: £285.00
H : 900mm x Dia : 101mm
