

Steel Bollard Hazard Band

Great for ensuring that the edge of a structure, car park, or space is easily and properly identified, possibly for separating areas, and also superb for restricting access and preventing unauthorised entry of vehicles - the Steel Bollard Hazard Band is a really popular Bailey Streetscene product.

These root fixed hazard band steel bollards are galvanised and powder coated in a range of colours and fitted with contrasting bands, and are available in a full range of diameters and square section steels.

Optional extras: Anti-ram addition. Removable Version. Chain lug attachments. Surface mount.
