

Alturo Seat

The Alturo Seat is a simple yet functional design, perfect for any outdoor space. An affordable, yet extremely tough and hard-wearing seat, this is available in all-timber or timber with a steel structure. The frame structure is 80 x 8mm steel tubes, and is painted with zinc primer and then finished in RAL 9005 (Black) as standard. The seat and backrest are FSC certified exotic hardwood. It comes finished with water based mahogany colour stain preserver.

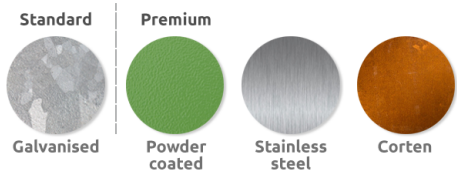

The timber uses tamper-proof bolts. Anchor bolts are supplied.
