

Anti Vandal Steel Bench

Supremely fit-for-purpose and increasingly popular, the Anti Vandal Steel Bench does exactly what it says: provides a cost-effective vandal resistant bench that is suitable for high-risk public areas. It would be criminal not to consider this as a superb hard-wearing street bench.

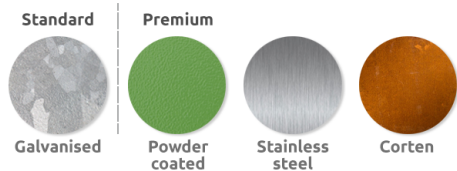

Powder coated to most BS or RAL colours, this seat is manufactured from steel and then hot dipped galvanised as standard and surface fixed, the Anti Vandal Steel Bench has a robust construction which means that it's ideal for areas where traditional timber seats are subject to vandalism or damage.

Guide Price: £295.00
L: 1800mm x D: 450mm x H: 450mm
