

## Bradford Bench

A surface mounted or root fixed bench, the Bradford Bench is a sturdy, hard wearing seating solution that is suitable for any outdoor areas, especially busy town centres. The frame is manufactured from grade 304 stainless steel with a brushed satin finish, whilst the base consists of treated timber slats. The combination of the two materials creates a stylish and modern seat.

Available with grade 316 stainless steel for more aggressive environments such as industrial or coastal areas.
