

Bradford Seat

A surface mounted or root fixed bench, the Bradford Seat is a sturdy, hard wearing seating solution that is suitable for any outdoor area, especially busy town centres. The frame is manufactured from grade 304 stainless steel with a brushed satin finish, whilst the base and back consists of treated timber slats. The combination of the two materials creates a stylish and modern seat.

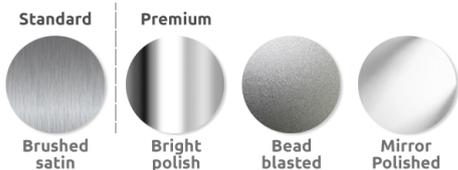

We understand the need for more heavy-duty products for certain aggressive environments such as industrial or coastal areas: that's why the Bradford Seat is available in grade 316 stainless steel too.

Guide Price: £1,054.00
L: 2000mm x D: 490mm x H: 450mm
