

Aspen Canopy

The Aspen timber monopitch canopy is available in hardwood or softwood timbers and comes complete with mild steel support legs hot dipped galvanised as standard and can be powder coated in a wide range of RAL or BS colours. It's a classic, durable option when choosing a product that is ideal for protecting customers, employees, or pupils from the weather.

The roof is clad as standard with multiwall polycarbonate but can be clad with UV stable PET sheeting. Available as surface mounted or sub-surface fixed, and a great option for a wide variety of purposes including waiting areas, courtyard covers, entrance canopies and walkways.
