

Linares Sun Lounger

Named after the Andalucian city, our new Linares Range offers both a stylish and classical look, perfect if you want to add a touch of elegance to your outdoor space. The Linares Sun Lounger is a simple yet bold design created to perfectly complement the rest of the Linares range and create a consistent, stylish look.

It comes with a welded steel frame construction which is clad with timber slats, and is available in either hardwood or softwood variations, bringing a touch of the Mediterranean to your outdoor environment.
