

Loughborough Seat

Modern and stylish, the Loughborough Seat is a contemporary timber and steel seat. With a mild steel frame that features a galvanised and powder coated finish, this is a seat that can be root fixed or surface mounted and will freshen up any outdoor space.

The Loughborough Seat is also available in grade 304 or 316 stainless steel for more aggressive environments such as industrial or coastal areas, and the base and back consists of hardwood or softwood treated slats.
