

## Retiro Seat

Named after the stunning public park in the centre of Madrid, the Retiro Seat is a classy outdoor seating solution. The frame is ductile iron treated with a unique protector which guarantees a high resistance to corrosion and is finished in grey forge colour, whilst the seat base and back rest are formed with timber slats.

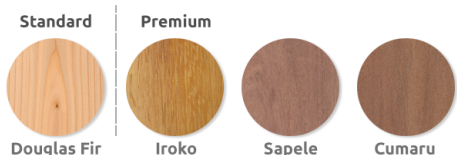

The seat's timbers are treated with a preservative and are water proofed, and it has a natural colour finish. With fixing bolts concealed in the feet for ground fixing, the Retiro Seat is also available in a 3 metre long version.
