

Anti Vandal Picnic Table

Supremely fit-for-purpose and increasingly popular, the surface mounted Anti Vandal Picnic Table does exactly what it says: provides a vandal resistant picnic table that is suitable for high-risk public areas, making it 'criminal' not to consider this superb hard-wearing product for your outdoor space.

Manufactured from steel, then hot dipped galvanised as standard, this product can also be powder coated to most BS or RAL colours. The Anti Vandal Picnic Table has a robust construction which means that it's ideal for areas where traditional timber seats are subject to vandalism or damage.
