

Argen Litter Bin

The Argen Litter Bin is manufactured from 6mm rolled laser cut steel and is designed to be fitted to an existing post - making it a great choice for any number of outdoor spaces and environments. With a capacity of 35L, this litter bin has a removable inner bin made of stainless steel and a DIN triangular locking device.

The Argen Litter Bin is available with or without an ashtray, and really is a superb litter management solution for many outdoor spaces. Our bins really do contribute to a cleaner, tidier environment and are designed to blend in to your outdoor space; the Argen Litter Bin is a perfect example of this.
